If any such inspection or test is made on Supplier's premises, Supplier will provide, without additional charge, reasonable facilities and assistance for safe and convenient inspections and tests. For any item provided hereunder that is not manufactured by Supplier, Supplier represents and warrants that such item carries a manufacturer's warranty and such warranty shall pass through to SSI SCHAEFER. SSI SCHAEFER's approval of Supplier's samples or articles shall not be construed as a waiver by SSI SCHAEFER of any requirement of the drawings, specifications and/or other referenced descriptions applicable hereto or of any express or implied warranty.

Supplier further warrants that the items furnished pursuant to this Order will not contain, and the Supplier shall not introduce through data transmission via modem or any other medium, or in the performance of any service hereunder, any harmful code.

direct termination costs, if any, as soon as possible but not later than thirty (30) days from the effective date of
termination. Supplier hereby gives SSI SCHAEFER the right to audit and inspect its books, records and other
documents relating to its termination claim. If the parties cannot agree within a reasonable time upon the
amount of fair compensation for such termination, SSI SCHAEFER's liability to Supplier will be limited to making

the work or (ii) if Supplier becomes insolvent or suspends any of its operations or if any petition is filed or
proceeding commenced by or against Supplier under any state or federal law relating to bankruptcy,
arrangement, reorganization, receivership or assignment for the benefit of creditors. To the extent permitted by
applicable law, any such termination will be without liability of SSI SCHAEFER for any or all property produced
or procured by Supplier for performance of the work terminated. Supplier will be liable for damages caused by
or resulting from its default, including but not limited to excess costs of completing the contract. If, after a
default termination, it is determined that Supplier was not in default, the termination shall be considered as a
termination for convenience.

Irrespective of SSI SCHAEFER’s approval, Supplier remains fully responsible for the proper selection and supervision of its assignees and subcontractors. Without prejudice to SSI SCHAEFER’s discretion to grant such approval or not, SSI SCHAEFER will in no case grant such approval unless the third party enters into an agreement with Supplier whereby such third party agrees to be bound by, and comply with, provisions at least equivalent to those required by this Order.

17. RIGHTS AND REMEDIES OF SSI SCHAEFER.

The remedies herein reserved shall be cumulative and not alternative and may be exercised separately or together, in any order or combination, and in addition to any other remedies provided for or allowed by law, at equity or otherwise. This obligation shall survive termination of this Order and will continue for three (3) years thereafter, or for as long as the information remains a trade secret, whichever is longer.
